## LESSON

Do you know! In the beginning, there were no trees, no flowers, no sun, no animals and no people. There was just darkness. But God was there. God is so great! He created everything by His word.

God said, "Let there be sky" And just as He said- there was sky ! "Let there be earth" "Let there be light" Let there be sun, Moon, stars, Trees, sea, Fishes, Birds etc ..... Everything God made by His words. Is n't it wonderful! ? God made everything for us. He made the daytime for working and playing. Night time is the time for sleeping.

Give blocks to the Children and ask them to make something which they like. When they finish say " it is good" Do you know what God said after making all things? "Good" Yes! God's creation is wonderful!

For Whom did God make all these things?

For us (For Jomi, For Teena ..... Tell the names of all the children)

If God has made everything for us, what have we to do? We should thank Him. Yes, Let us thank God for making the world and everything in it.

Let the whole class say "Thank you God for creating us".

## PRAYER

Lead children in brief prayer of thanks.

Lord, Thank you for making the world and every thing in it for us. Amen.
